

**Yellow warning
Rain**

Between
00:00 Wed 28 Jul 2021 and
02:00 Thu 29 Jul 2021

Persistent rainfall, heavy at times, may lead to localised flooding and transport disruption.

What to expect

- Homes and businesses could be flooded, causing damage to some buildings
- Delays or cancellations to train and bus services are possible
- Spray and flooding could lead to difficult driving conditions and some road closures
- Some communities may be cut off by flooded roads
- Possible power cuts and loss of other services to some homes and businesses

Further details

Although this morning's heavy rain has now largely eased and cleared, further heavy showers, some thundery, will readily develop through Wednesday afternoon and once again merge into longer spells of rain at times. 20 to 30 mm is possible in an hour with 40 to 60 mm possible in 3 hours in some locations. The rain will ease on Wednesday night.

Reason for update

The southern extent of the warning area has been trimmed northwards and the end time has been brought forward several hours.

✓ Low likelihood of medium impacts
